<ul style="list-style-type: none"> <li>➤ Up to 750 PLUs With 2 Price Levels</li> </ul>	<p>The SANYO ECR's keep a precise record of which kinds of product are selling. The ECR-4000 has a standard memory of 750 PLUs. Each PLU features two price levels, to help keep track of individual items, and three different types of groups. And each PLU can be linked to one other PLU for easy menu programming.</p>
<ul style="list-style-type: none"> <li>➤ Alpha/Numeric Programmable Sealed Flat Membrane Keyboard</li> </ul>	<p>The flat membrane keyboard is simple to use and pleasantly responsive to even a light touch. You have the choice of three different menu sheets with free key layout, allowing managers to switch items or adjust prices according to the time of the day. The sealed, flat membrane is easy to keep clean, a boon for busy eateries where spills are inevitable.</p>
<ul style="list-style-type: none"> <li>➤ Two-Station Dot Matrix Printer</li> </ul>	<p>The fast and durable printer ensures that both retailer and customers have a clear record of transactions. The printer offers 20-character dot-matrix printing at 3.3 lines per second and uses 38mm paper rolls for both receipt and journal. In addition, your business name, ABN number, etc can be printed on receipts.</p>
<ul style="list-style-type: none"> <li>➤ 23 Cashiers</li> </ul>	<p>Up to 23 cashiers can be programmed in.</p>
<ul style="list-style-type: none"> <li>➤ Memory Protection System</li> </ul>	<p>Prevents the loss of valuable data in the event of a power failure. High-performance rechargeable battery automatically provides 500 hours of memory backup.</p>
<ul style="list-style-type: none"> <li>➤ 6-Position Mode Lock</li> </ul>	<p>Prevents unauthorised access to the till.</p>
<ul style="list-style-type: none"> <li>➤ Validation Printing</li> </ul>	<p>The ECR4000 is equipped with a special slot into which cheques, receipts and other items can be inserted for instant validation. This saves time and effort for the operator, speeds customer service and provides a clear audit trail for management.</p>
<ul style="list-style-type: none"> <li>➤ Wide Variety of Easy To Read Reports</li> </ul>	<p>(1) Full transaction (Media amount in sales/drawer), (2) Hourly, (3) Grand total, (4) Cash in drawer, (5) Operator, (6) PLUs (group, stock, etc).</p>
